# Champion BagClosing™

Champion BagClosing is high speed knotless industrial sewing thread for multi-wall paper bag closing applications. These threads are produced under stringent manufacturing protocols from the highest quality materials that result in the industry's premier bag closing thread. Our proprietary, FDA-approved lubricant has quickly become the new industry standard for multi-wall bag closing. Our high-quality materials, standards, and strict attention to detail ensure that your operation will always run at optimal efficiency.
