Champion Thread Company®

Advancing the Common Thread

ChampCot® Plus

Champion Thread's ChampCot Plus is a high-performance, 100% cotton sewing thread made from Egyptian long-staple cotton that has been gassed and mercerized. The mercerization finishing treatment strengthens ChampCot Plus and improves dye uptake, making it more forgiving in overdye operations. ChampCot Plus is perfect for overdyed or washdown apparel and industrial applications requiring 100% cotton thread.
