Champion Thread Company®

Advancing the Common Thread

ChampTex®

Champion Thread's ChampTex is a continuous multifilament nylon thread that is textured and twisted to add bulk and strength. It has excellent elasticity and a very soft hand, making it ideal for close-fitting stretch garments worn next to the skin, like intimate apparel blouses, dresses, swimsuits, and undergarments. ChampTex's bulk is also advantageous for floor covering applications where seam appearance is essential, and piece dyeing is used.
