Champion Thread Company®
Advancing the Common Thread

Cotton ChampCore®

Champion Thread's Cotton ChampCore is a long-staple cotton-wrapped thread with a high-tenacity multifilament polyester core. The filament polyester core provides excellent strength and durability, allowing for the use of finer thread sizes without sacrificing seam strength or appearance. The long-staple cotton wrap ensures excellent sewing performance and protects the core from needle heat. It is the ideal thread choice for any item that utilizes piece dyeing.
